

Incident Reporting – Potential Insurance Claim

If this is an emergency, call 911. Then the Resident must initiate an Incident Report with the Management Co., or any member of the Board, or Buildings & Roads. For non-emergency situations contact the Management Co. **At no time should a resident contact the Associations Insurance Agent or Carrier.** Note: The resident is responsible to pay the Associations' deductible if a Claim is placed.

Submitted for the Board by Ron Richards on September 26, 2019
